

ALBERTO FERRI
TRASPORTI INTERNAZIONALI

COMPANY

The Alberto Ferri S.r.l. performs a starring role in the International shipment field. Our name in this context is known since 1970, when Mr Alberto Ferri built this Company that still today is named after him, offering high skilled services in a delicate and extremely exigent as the Cinematographic Area.

Today the Company is leaded by Marco Ferri (Alberto's Son) who is carrying on the job started by his father in keeping same principles, professionalism and customer care.

The Alberto Ferri invested a lot in the staff training and technological adaptation, to improve his services against the continuous growth of this Area.

We are IATA Agents and credited by ENAC as "Regulated Agent".

Considering the cinematographic Area as the main business, our prerogatives are, high care of material given by our clients, swiftness and discretion on arranging shipments.

In order to improve more our customer care we obtained the ISO9001 quality certification in 2008.

To improve discretion and security, all material is handled only by our internal staff and using our own trucks, always monitored by a satellite localization system, while our premises are monitored 24 hours a day.
